Join CNYCSS as we invite the Erie Canal Museum to share their site with us.

During COVID, our museum partners have been working hard to develop their sites and are eager to share what they have to offer! Invite your colleagues to join us on Tuesday, May 4, 2021, from 4:30 to 6:00 p.m.

Erie Canal Museum's website may look quite a bit different from the last time you viewed it. Also, when was the last time you visited the site in-person? Find out what the Erie Canal Museum's current in-person policies are and what their schedule is for the summer.

Our Erie Canal Museum guest speaker will share with us updates on what the site has to offer both in-person and virtually. Also, don't forget those CTLE hours! They all add up!
